Know your game!

11 issues per year.

Fourth decade of Pelit!

Pelit magazine finds out the most interesting trends and the most memorable classics in the world of gaming. It makes no difference whether the game is an overly expensive AAA-epic or created by one-man indie company, the games and their creators are always treated with the same interest and passion. Therefore our articles can equally cover synesthesia in gaming or the history of the Star Wars games as well as the current state of Final Fantasy XIV. We look at games as entertainment, art, and a hobby – and Pelit magazine reflects all those dimensions.
