Dive into the glitz and glam of the vintage world! If you love old objects, homes and art, then *Antiikki & Design* is just for you. The magazine delivers stunning visuals and tells the most fascinating stories behind the objects. We are an authority on collecting and inspire home decorators to combine modern pieces with classics and show renovators how to replicate the spirit of the original construction period. We open the doors to beautifully decorated homes filled with antiques, and vintage items. More fashion history included in this year's issues.
